Balboa Press, United States, 2015. Hardback. Condition: New. Language: English. Brand new Book. Separated in time and space, Clara and Daniel live on each side of the world. Buenos Aires and Stockholm are 17,000 kilometers away. Before her wedding, Clara receives a letter she will keep and find again seventeen years later. Meaningful coincidences take place at certain, specific moments, allowing her to read the underlying message. Can love, angel interventions, quantum physics, and thinking of one another make a powerful strength to achieve their physical union? Could they have always been united in a parallel time and space without being aware of it? Based on fact, "Northern Hemisphere Southern Hemisphere, The Power of Love" will make you consider different possibilities regarding union and separation, soul and body integration, and space and time convergence while considering human thought a tool for obtaining peace in the world. Travel from Sweden to Argentina. And discover the answer to the following question: Will Daniel cross the Atlantic Ocean to recover his soul mate?.
